Always keep the product out of reach of children. In the event of ingestion, or allergic reaction seek medical assistance without delay and present the container or label.
<b>Disposal</b>	Product must be disposed of according to norms and regulations in force. Containers must be sent for recycling. Follow directions on the packaging.
<b>Application Instructions</b>	<p>PEARL CREAM is a versatile product suitable for all lime-based finishes, including paint and plasters. It is particularly suitable for LAVA PLASTER finishes and is recommended for interior use only.</p> <p>To achieve an "antique wall" effect, you can spread PEARL CREAM on the finish using a rag. For finishes like "CRATER" or "CASCADE," use a rectangular sponge. Apply a small amount of product on one side of the sponge using a spatula, and lightly rub the surface of the finish with the sponge acting as a buffer. If desired, PEARL CREAM can be diluted and applied with a brush. For more detailed guidance, you can refer to LAVA PLASTER videos</p>
<b>Tools</b>	Sponge, brush, or soft cloth. Clean tools with water after use.
